### **President's Message:**

Summer is here and, as we are at the midpoint of the year, it is a good time to assess our progress so far. SMAC continues to grow, and I have noticed many new faces along with familiar friends at each of events.

Part of this is due to an expansion in the variety of entertainment that we are featuring from our Special Events presentations. The successful Laurence Juber concert attracted many people who had never attended a SMAC event, and they were treated to a world class performance by a finger style virtuoso. A dozen people joined SMAC that night alone!

The 18th Annual John Faber Photography Contest and Show was a huge success. The accommodations at the new location, Bethlehem United Methodist Church, were outstanding. Sixty-six photographers submitted 296 entries, and the quality of work was most impressive. There were also 32 entries from children aged 10 to 17 years.

The Lakeside Singers had another entertaining performance that explored the psychedelic/disco era with their Savor the 70's concert.

Our scholarships this year were expanded to two 2-year \$1,000 awards that went to Ethan Lee of Staunton River High School and Evan Craighead of Franklin County High School. Congratulations to both of these fine young men. A especial thanks goes to Bob Ayers, who led the selection process.

We also had the first annual student songwriters contest, led by Mike DeGiorgi, and the awards were presented at the benefit for the Student Violin program. First place went to Emily Horton, second place to Zachary Arduca and third place to Luke Fortner. Check out their songs on our website.

For something completely different, the Walsh Memorial Bell Choir gave a wonderful performance at TEP.

There is a lot to look forward to. Next up is the Lake Players performance of "Fox on the Fairway", a farce by Ken Ludwig. This will be a memorized production, taxing the mental capabilities of the cast. You won't want to miss this one. I am in the cast and have been laughing hysterically during the rehearsals. Come and see if I can keep a straight face during the production!

SMAC continues to expand the variety of programs that it offers and supports, while ensuring that our longstanding programs get better every year. The Board has worked hard to keep our organization serving the interests of our members while expanding that base. If you know of someone who has not yet joined, recruit them!

*Mike Dittrich*

*Share SMAC's slogan with your friends and neighbors.*

*"If you aren't a member of SMAC... you should be."*

## Lake Players Present "Fox on The Fairway" by Ken Ludwig, July 12<sup>th</sup> & 13<sup>th</sup>.

The Lake Players, under the direction of Nancy King, will produce the comedy "Fox on The Fairway" July 12th and 13th at Resurrection Catholic Church. The evening will begin at 5:30 pm with a "bring your own" golf tote of food and BYOB. SMAC will provide dessert, coffee, iced tea, water and soda.

The play stars Jim Tarentino, Sandy Sampson, Mike Dittrich, Joyce Dittrich, Kay Degiorgi, John Maresca and Al Fuzi (seen below during a rehearsal session). Connie Canova is stage manager.

"Fox on The Fairway" takes audiences on a hilarious romp which pulls the rug out from underneath the stuffy denizens of a private country club. Filled with mistaken identities, slamming doors and over-the-top romantic shenanigans, it's a furiously paced comedy that recalls the Marx Brothers classics. A charmingly mad cap adventure about love, life and man's eternal love affair with.....golf!

For reservations to this fun evening of entertainment call Connie at 540-297-6680 or e-mail at [confred@b2xonline.com](mailto:confred@b2xonline.com). Space is limited so get your reservations in early.

The cost will be \$10 per person due to the costs incurred to produce the show.

The actors and director are working hard to bring you a fun and entertaining evening – Don't Miss It!

### **Photographer's Corner: Help Wanted - SMAC Needs Photographers**

SMAC is compiling a list of photographers who can be recruited to take photos at SMAC events. If you're interested in helping out, please let Peter Coriasco know ([pcoriasco@gmail.com](mailto:pcoriasco@gmail.com)) and he'll add you to the list. If there are certain events that you'd like to cover (Lake Players, Art Show, etc.) let him know that, too.

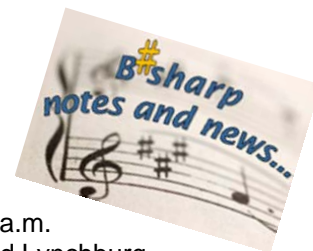

Those volunteering must be able to manipulate their photos as required (size, color corrections, etc) and deliver them to Betsy Ashton, SMAC's Publicity Director, by the morning after the event takes place.

### **B Sharps:**

The B Sharps is a group of men and women who sing together to those folks living in nursing homes and senior facilities. We sing the old songs that are familiar to our audience and encourage them to sing along with us. We mix in music from the movies and Broadway, hymns, and patriotic songs and, of course, seasonal songs to be enjoyed by all.

Our practice is held on the last Wednesday of the month at Resurrection Catholic Church at 9:30 a.m. We sing out on the first Wednesday of the month in Moneta, Bedford, Rocky Mount, Roanoke, and Lynchburg. Each time we sing in two places and enjoy lunch together in between. Our last sing-out for the season was on June 6. We will begin again on August 29 for a rehearsal at Resurrection.

If you are looking for a group of people who enjoy bringing a little joy to the lives of others, please come join us. You will find that we usually go home with the greatest blessing. For more information call Barbara Dice (721-8041) or Dottie Nagele (297-1058)

**Lakeside Singers:** Presented “Savor the Seventies” for their annual spring concert. They sang a collection of seventies music that brought back memories of a decade of change in the U.S. There were short skits that recalled events of the seventies, including a special moment of recognition for the Vietnam Veterans in the audience. JT Spataro performed a guitar solo of Classical Gas and received a standing ovation for his performance. The concert ended with a crowd pleasing rendition of YMCA that the singers and audience participated in with enthusiasm.

The Lakeside Singers are preparing for their fall program which will be on Friday Nov 16 and Saturday Nov 17. The program will feature gospel music from around the world and the Lakeside Singers will be joined by guest performers from our area. Velshera Johnson will be directing the choir and Susan Spataro will be the accompanist.

There will be a Potluck Supper on August 28 and rehearsals will begin on September 4. If you have an interest in singing and would like to become a member of the choir please call Ken Nagele at 540 297-1058 for information.

### **New Crusty Minstrels : “Margaritaville”**

“Good Times at Margaritaville,” the recent sing-along benefit concert, led by SMAC affiliate “The New Crusty Minstrels,” was a huge success. Held in the SML YMCA gym- converted-to-concert-hall with Caribbean decorations, the SMAC stage and rented tables/chairs, the facility suitably accommodated the 350+ who attended each of the two concerts, including the demand for space to dance.

Everyone had a great time joining in the singing, with words to beach music favorites projected overhead. “The most fun we’ve ever had at a concert,” one enthusiast gushed to the band after the concert.

Attendees were also generous, filling the donation baskets with cash and checks (which were doubled by generous benefactors) that brought the after-expenses contributions to Lake Christian Ministries and SML Good Neighbors to a total of over \$40,000. Members of the New Crusty Minstrels are “recovering” from the intensity of their performing experience and considering whether leading another sing-along concert is in the future.

### **SMAC Sponsored Concert:**

The Walsh Memorial Bell Choir from Morris Plains, New Jersey, performed at TEP on Wed. June 27<sup>th</sup> to a huge crowd.

Their performance was excellent and all who attended were treated to an entertaining and wonderful musical experience. The Choir played a variety of music with great dexterity---their arms crossing and bell ringers changing places mid-measure to perform their musical wizardry. A total of eight octaves of handbells and chimes were used in their performance.

### **“Let’s Dance”,** a 17 piece dance band

Substitute players are needed to fill in from time to time. On occasion substitutes become full time members when a full time member drops out. Our substitute list is quite long, but we still encourage musicians from the area to contact us if they would like to play our “big band” kind of music. If interested, contact Art Guiffre at 721-8942 or at artguiffre@gmail.com.
