

Dear SMAC member,

We appreciate you!

It has been a rough year for SMAC, as for so many other organizations – we have had to cancel most of our programs. But we'll be back with a full program of events as soon as we can.

You've stuck with us. We'd like to thank you by extending your membership a year. So, if you paid for the 2019-2020 membership year, which ends next month, your membership will be good until September 30, 2021.

In the meantime, the Art Show will take place, the Photo Club is holding Zoom meetings and online presentations, Lake Writers Zooms every two weeks, and SMAC-Tube is going strong on You Tube.

We'll see you soon! And thank you!
